The Grange & Links is looking to update its bathroom suites, to bring this much loved hotel into the 21st century!

The Grange & Links is a family owned & managed, landmark seaside hotel with 20 en-suite rooms in Sandilands, near Sutton-on-Sea, Lincolnshire. A short walk from the beach, the hotel is popular with families and couples looking to get a relaxing break on the coast.

The hotel is much loved but needs some updating, we have redecorated much of the public space and are working our way around the bedrooms.

We would like to accelerate our progress particularly with the update of the bathrooms and are looking to raise £3,000 per bathroom.

Updates done to date include low profile steel baths to enable older customers easier bath access, modern fixtures & fittings, and local sourced oak to provide a warm, clean & comfortable space.

We're hoping that our Crowdfunder campaign will a) help us raise much needed funds and b) raise the profile of the hotel.

About us: The Grange & Links is a family run hotel, that was bought out of administration in 2014. We've been working hard to get it back on its feet since. Any support we get at this stage goes to support the ongoing employment of 30+ staff, the restoration of a much loved hotel and helps us spread the word about Sandilands as a great place to visit.
