

THE GRANGE & L·I·N·K·S

HEAD CHEF OPPORTUNITY

The Grange & Links, an historic landmark hotel situated in the unspoilt Lincolnshire seaside village of Sandilands, is looking to recruit a skilled, vibrant, enthusiastic Head Chef, capable of building a quality focussed casual dining team to serve the needs of hotel guests and our many visitors in the Restaurant & Bar, as well as cater for the many weddings and functions we host at this much loved hotel.

With opportunities for profit sharing, the Head Chef will have previous experience of leading catering teams, will work closely with the Hotel's Bar Service and Golf Club, and a proven record of delivering quality.

With popular golf and tennis events, the Head Chef will help grow the business and support a series of sporting & social events that take place on the Hotel's grounds.

Opportunities exist for spouses and partners to be involved within the business.

With some great schools locally and a wonderful coastline to explore, Sandilands would be a great place to work and a super place to bring up a family.
